Multiple precautions have been put in place to minimize the risks associated with Covid-19. Here are two of which you need to be aware:

**Temperatures of everyone will be checked upon arrival at VBS**  
**Anyone 5 years or older will be required to wear a mask**

**Bible Reading: I John 2-5** PROVERB OF THE DAY starting Aug 1.

**Harvest Outreach**—Harvest Outreach is in need of a treasurer. They do not need to be a member of the board. They would do monthly banking and create a spread sheet. If interested please talk to Jim Terwall or Becky Olson.

**Communion**—Next Sunday is Communion Sunday. You may pick up your pre-filled cup & wafer at the Information Ctr, Connection Ctr, or the ushers' table. Gluten-free wafers will be available by the organ.

**Offering Boxes**—We have black boxes at the top of the two canopy entrances for offering envelopes. The west entrance box is just to the left of the drinking fountain; the east entrance box is just to the right of the bulletin board at the top of the stairs. There is also an offering plate at the ushers' table at the back of the auditorium.

To download the CMC app, scan this QR code.

**Harvest Outreach**—CMC took 100 lbs of food to Harvest Outreach this week. Their greatest needs this week are: **canned pasta with meat, rice, condiments, personal care items and chicken noodle soup.** Harvest Outreach hours will be Mon, Thur, & Fri – 9:30 to 11:30. If you need food, go to the east side of the bldg, honk twice. Someone will come out to check your ID and the number of people in your family.

Thank-You Open House—Pastor James & Susan will be retiring in mid-August, and we are having a Thank-You Open House on Sat, Aug 8, from 2-5pm. Plan to join us as we express our appreciation for their 32 years of service. At the Open House there will be a container for cards and love offerings – and it will also be available on Sun, Aug 9.

**MAN CAMP 2020 October 2-4** at Forest Springs. Featured speaker, Greg Bourgon pastor, manager, Navy vet, and author of *Rattling of Sabers: Preparing Your Heart for Life's Battles*. Great weekend for men and optional *IMPACT Track for Fathers/Sons*. Limited registrations this year (150). Do not delay.

## FROM THE PASTOR'S DESK

In a couple weeks we're going to have a mess in front of the church house on Washington Avenue. It will last at least until March.

Using 16<sup>th</sup> Street and approaching the church from the south is probably going to be your best choice. Here's what you'll need to plan for:

Traffic on Washington Avenue between Ohio Street and West Boulevard will be limited to eastbound only. Westbound traffic will be detoured. West of Ohio there will be one lane in each direction. This is your heads-up, although you'll be reminded soon, experientially!

In light of today's study . . . I thank you again for your generosity to the Calvary Memorial Church during these COVID19 months. We have received two large gifts – one from an estate and another "from the clear blue sky," BUT all across the board your giving has just been so helpful and so encouraging. This is the best summer giving we have experienced in our 32 years here. We thank God, but He has used you, and you have responded well.

I thank you on my part for making our ending here good fiscally. God bless you for it.

I want you all to be aware of what **EVIDENCE** has been doing and doing well.

COVID19 cancelled our summer Mission Seminar Ministries, as it has cancelled so many other things. Pastor Davis immediately went to work to make the summer a "Summer of Service" in which students work hard for those in our church family that need work around their houses.

They have scraped paint and painted. They have done roofing! They have done landscaping. They helped us move. They have done various yard work projects. They have worked hard and well. Each time I see them returning from something they have tired smiles and obviously delight in one another.

Thank you, Pastor Davis, for making the missing Mission Seminar summer a Summer of Service.

Elizabeth Pezoldt returned from Bolivia Wednesday night after serving well there for 8 years. She will be in the missionary house for two weeks during quarantine. Do what you can to make her welcome as she's "stuck" for two weeks.

Is there someone who is willing to take the time to teach Elizabeth to drive a manual transmission car? We have an offer of a car for her without cost, but it is standard (there's an odd word at this point in driving history) rather than automatic (which I suppose is standard now . . . oh well . . . you know what I mean). If you can help with this let me know. We have a parking lot for your driving school.

Grace and peace,  
Nathan Joy James

**New Member**—A few weeks ago we welcomed Leah O'Hare to our membership. We are grateful for her presence and commitment to join CMC as a member.

**Face Masks**—If you make face masks and would like to share them with CMC, please wash them and put them in individual zip-type sandwich bags and turn them into the office. We also have a chance to bless the medical community. If you are interested, please contact Linda Specht in the church office for very specific details.
