CMC Schoolhouse: With limited numbers of students attending in-person school in Racine, should there be:

- an expressed need for a location for students to gather to complete their schoolwork while being with other students **and**
- sufficient volunteers to provide oversight,

CMC Schoolhouse could be such a place. If you have such a need with your students or would be interested in being involved in such a service to families in our community, would you please contact the church office to let us know?

Please take a look at last week's insert (extra copies are at the Information Center) for further information or direct your questions to Pastor Davis.
