

**Another Year Is Dawning**  
Another year is dawning: Dear Father, let it be,  
In working or in waiting, another year with Thee;  
Another year of progress, another year of praise,  
Another year of proving Thy presence all the days.

Another year of mercies, of faithfulness and grace;  
Another year of gladness in the shining of Thy face;  
Another year of leaning upon Thy loving breast;  
Another year of trusting, of quiet, happy rest.

Another year of service, of witness for Thy love;  
Another year of training for holier work above;  
Another year is dawning, Dear Father, let it be,  
On earth, or else in Heaven, another year for Thee.

**Ladies**—Let 2026 be the year you dive deeper into the story of the Bible! Whether it’s your first read-through or one of many, there’s always something new to discover. Together, we’ll uncover how the story changes everything. We will be using the *One Year Chronological Study Bible* and it starts Jan 6. We will follow the meeting schedule you see above. Please call Linda Specht for more details.

**Ladies**—Have you ever wanted God to answer a specific prayer and then waited much longer than you wanted or would have ever expected? *Sisters in Christ* will be studying the Old Testament book of Habakkuk. We kick off the study Jan 13 with a post-Christmas party, followed by 10 weeks of digging into the Bible to see how the truths shared in Habakkuk are still relevant to us today. Sign up in the Connection Ctr. Contact Sally Wenzel for details: 262.412.4798.

**Good News!** Choir rehearsals will be held from 6:30-8 on Thur evenings on the following dates: Jan 15 & 29, Feb 12 & 26, Mar 19 & 26, Apr 2. If anyone has questions call or text Kim at 262.939.1962.

I hope your first week of the year’s Bible reading has gone well. Even though it has only been a partial week of the new year, that is more than enough time for our New Year’s resolutions to hit a snag and for our resolve to begin to wane. For those who were completing last year’s reading, the two plans clashed a bit this past week, but I am confident you were able to figure it out.

As our schedules go more back to normal this week, encourage others (and be encouraged yourself) by discussing your reading in every day conversation. This is one of the great benefits of having each person in your household reading the same thing — lots to discuss and reinforce the habit we are developing. I sincerely hope that we will do the same with conversations among ourselves in the church family. Keep it up!

The Bible is sure a textbook on life. It is helpful for us to read accounts of the lives of others as we are more inclined to see their faults and identify their inconsistencies. The Holy Spirit can then go to work showing me myself in the accounts — for their experience is not entirely unique but actually quite relatable and instructive.

I appreciate how each day’s reading is paired with a psalm or a proverb as the change of pace and focus gives opportunity for processing what the Holy Spirit is teaching me through God’s Word. I noted common themes that flow through Scripture and showed themselves in Genesis and Psalms on the same day with one idea flowing seamlessly into the next. Truly this book is divine!

Let us together be faithful students of His Word for the sake of His name.
